

# LADDER RESCUE SYSTEM

The 18' Ladder Rescue System with Belay is designed for rescuing a worker in the event of a fall with minimal prior rescue training. The system is simple to deploy using the existing or a temporary anchor point. The Ladder Rescue System allows the victim to climb efficiently and safely with the added protection of the rope grab system.

## Key Features

- Progress Capture Pulley (Belay Device)
- 2" Heavy Duty Black Nylon Webbing Ladder
- Aluminum Bar Rungs Sewn into Heavy Duty Black Webbing
- Static 11mm Nylon Rope
- Steel Carabiner
- Ballistic Nylon Deployment Bag
- Meets OSHA 1910.66 and 1926.503

Part #	Part Name	Weight
